MOORA PRIMARY

NEWSLETTER

1 JULY – NO CLASSES!

This is a reminder that we have a student free day on the 1 July. This is additional time given to teachers to talk with you about your child's progress.

Students will receive their report on the 29 June. This will give you time to read that report and be ready with questions for teachers on the first.

Our students have worked hard this semester - help them celebrate their learning.

No Gap Initial Appointment

Understanding, guidance and practical next steps for your child – at no out-of-pocket cost.

If you have concerns about your child's development, early advice can make a real difference.

For a limited time, selected clinics are offering a *no out-of-pocket cost initial appointment** with an Occupational Therapist, Speech Pathologist or Physiotherapist for eligible Medicare patients—no waiting, no pressure, just clear guidance and practical next steps.

How a no gap appointment can help.

With a GP or paediatrician referral and a Medicare plan, support is available for concerns including:

- Communication, learning or understanding
- Movement, balance or coordination
- Everyday activities like dressing or routines
- Social or school-based challenges
- Big emotions, meltdowns or sleep issues.

In the appointment, your therapist will understand your concerns, share practical strategies you can use straight away, and talk through clear next steps.

Available now in clinics with availability or immediately via Telehealth, no matter your location.

***No out-of-pocket cost applies to the initial appointment only for eligible Medicare patients. Medicare rebates and referral requirements apply. Availability varies by location.**
