TERM 1 WEEK 9

MESSAGE FROM THE PRINCIPAL

Winners and Losers

As we grow, we understand how important it is to win and lose with dignity. It is a difficult but very important concept which is learned on the sporting field, playing games, in classroom activities, at home and in the playground.

We continue to focus on this skill every day. We model ways to express our approval and disappointment so that our students learn to appropriately express their feelings.

The way they learn is to be placed in situations where they are challenged and their feelings at the outcome are co-regulated with their family and teachers.

By working together, we can ensure we have well balanced citizens who value each other.

On that note, sadly our interschool swimming carnival was cancelled due to the cyclone... but I have added photos of our swimming carnival...where winning and losing was a part of the day :)

We hope you have a wonderful holiday with time to relax, play games and enjoy being with your children.

Have a wonderful few weeks... see you all on the 21st April.

All the best
Karen

UPDATES & INFORMATION

All school communication will now come through Compass

Concerning Attendance Data

You may have noticed our attendance rates have declined over the term. This is concerning.

Your child should be at school every day school is open, unless they are sick, have an appointment in Perth or have a cultural event.
