TERM 2 WEEK 3

## MESSAGE FROM THE PRINCIPAL

### Being physical

As a new member of our community I am amazed at what is available for our students to do after school and on the weekends.

There are so many options in Moora for your child to socialise with the wider community whilst they get come much needed physical and musical development.

Did you also know that their are grants and funds available to help you support your child's physical growth? Ms King, in the library, can help you apply for that money. If you would like more information, please pop by and chat with her.

Growing a whole child who is balanced physically, emotionally, socially, creatively

and academically is important for society.

We also pride ourselves with our holistic perspective of education. That's why our students have physical education classes, learn another language, complete artistic endeavours, play board games and have creative/critical thinking activities to complete.

The more opportunities our students have to grow, the better.

Have a lovely week.

All the best  
Karen
